

HARPER COLLEGE PROMISE SCHOLARSHIP

TUITION EARNED

A SCHOLARSHIP OFFERED TO EVERY PUBLIC HIGH SCHOOL STUDENT IN THE HARPER COLLEGE DISTRICT THAT WOULD FUND UP TO TWO YEARS OF COLLEGE.

What if we could promise every public high school student in the northwest suburbs **two years of college tuition-free if they're willing to earn it?** Think of the possibilities for students, parents and our local workforce. Two years of college. Tuition free.

Under the Harper College Promise Scholarship Program **every eligible** incoming public high school student in Harper's district (Districts 211, 214 and 220) can earn up to two years of tuition at Harper College if they maintain solid grades, have good attendance, don't repeat classes, graduate on time and provide service to their community.

A PROMISE THAT PAYS FORWARD.

HOW IT WORKS

The criteria for the Harper College Promise Scholarship were developed by Harper College, area public high schools and northwest suburban business leaders to promote life skills and habits that will help students succeed in college and provide businesses with smart, skilled and motivated employees. The Promise Scholarship Program enables participating students to attend Harper without having to pay tuition while they earn career certifications and associate degrees. However, signing up for the Promise program does not commit a student to go to Harper. So there's no reason not to sign up!
