

Fee Waiver Application Process – Fee Waiver Pre-Approval Day – Saturday, June. 27th – 8:00 – 1:00

If you meet eligibility requirements and need to apply for a fee waiver, you must come to Elk Grove High School on Saturday, June 27th between 8:00 a.m. and 1:00 p.m. with your completed fee waiver application and all required forms. Fee waivers must be applied for on a yearly basis. There is no automatic renewal of a fee waiver. Fee waiver applications can be picked up before June 27th in the Main office at EGHS and will also be available online.

If applying for a fee waiver, please bring the following required documentation with you on June 27th.

- Completed District 214 fee waiver application
- Pay stubs for *ALL* employed household members
- Copy of the 2008 Income Tax Forms(s) 1040 and W-2 forms
- Verification of “Foster Child” status
- Verification of AFDC or Food Stamp Eligibility
- Verification of Medicaid Eligibility

We’d like to clarify a few misconceptions

- Fee waivers must be re-applied for every year.
- Families do not automatically qualify if they are on food stamps or Medicaid.
- Fee waivers only apply to the \$300.00 fee per student fee. Senior graduation fees, and to the Driver Education fees. There is no fee waiver for activities such as athletics, band, orchestra, etc. These are optional activities. Fund raising options are available to reduce fees for participation in these activities.
- **June 27th is the only day we will have extra staff to assist you with your fee waiver application**, so please come prepared with all materials on this date. Without the appropriate documentation, your application cannot be reviewed.

Home Computers available! New this year! Equipped with District 214 software for EGHS families in need

We have a limited number of fairly new desktop computers available for loan to EGHS families who do not have a computer at home. These computers will be reserved for families in financial need. This computer loan is for one school year at a time. The parent and student must complete certain paper work, and the parent and student(s) must attend a mini workshop on the use and care of the computer. Applications for one of these computers will be available on Saturday, June 27th between 8:00 a.m. and 1:00 a.m. Applications can also be picked up from the Main Office at EGHS after June 20th. Families who are selected to receive a computer will receive more information about the required workshop and agreements.
