Dear Parent(s)/ Guardian(s),

It is with great pride that we invite you to our **Open House** at Elk Grove High School on **Thursday, August 30, 2018 at 7:00 p.m.** This is one of the most important and beneficial evenings of the school year, and we urge all Elk Grove families to take advantage. Ours is a great school, filled with people who care about your students, and we want to share what we do with you.

During the evening, you will have an opportunity to follow an abbreviated version of your student's schedule. During class presentations, teachers will provide you with an overview of each course, including course objectives and the resources used in class. Grading information, important projects/assignments, work expectations, supplies needed, and teacher contact information will also be shared.

In addition to visiting with each of your child's teachers, you will be able to attend special presentations targeted for parents of each class. The presentations will include information you need to know as a parent of a freshman, sophomore, junior, or senior student. These presentations will be repeated each lunch hour – periods 4, 5, and 6. ***An Open House schedule, which includes the locations of the class presentations, is included with this mailing.*** Please plan to attend the appropriate presentation during your child's lunch hour.

Class periods are ten minutes in length with a five-minute passing period. **In advance of this evening, please work with your student to fill out the accompanying schedule, as this information will guide you from class to class.**

At any time during the evening you may see your child's counselor and/or visit one of the tables in the main hallway set up for our Parent Teacher Council and Grenadier Athletic Boosters. If you were interested in joining either of these organizations, we would ask that you bring a check for \$20.00 for PTC and/or \$25.00 for the Gren Athletic Boosters.

Please note that our Open House format is not the appropriate setting for *individual* conferences regarding student progress. Parents who desire a personal conference with a teacher should arrange for one at a later date.

Finally, prior to the start of Open House, we will hold our EGHS Title I Parent Meeting from 6:00 – 6:45 p.m. in room 120. This meeting is completely ***optional***, and it will include an overview of the Title I grant as well as an opportunity for our families to be involved in decisions regarding use of district and school parent involvement set-aside funds for Parent Involvement Activities.

We look forward to seeing you on Thursday, August 30th. We at Elk Grove High School consider your student's success our own, and Open House is an excellent opportunity to partner together as the new school year begins.

Best Regards,
