INFORMATION LETTER FOR 2019/2020 SCHOOL YEAR

Dear Parents/Guardians:

It is that time again to start welcoming you to the beginning of the new school year.

The attached packet contains the information you will need to have your student prepared for school and fall athletics. There are several points, which we would like to emphasize:

- The online registration and fee payment site opens on Monday, June 3rd and payment and registration must be completed by July 31st. Fee waiver required documentation is detailed in the attached information packet. Please note: Without the appropriate documentation, your application cannot be reviewed.
  - Grade 9 students are required to attend the Freshmen Orientation, which is scheduled for Friday, August 9th from 8:15 a.m. until 11:30 a.m. This experience is important to all freshmen and the buses will run the regular bus schedule for the students that qualify for the service (over 1.5 miles from the school).
- Physicals for incoming freshmen were due June 1st. Fall athlete physicals are due on July 1st, 2019. It is critical that you address this issue immediately. If your incoming freshman does not yet have his/her appointment for a physical, please contact the doctor’s office to set up an appointment. Yearly updated physicals are also required for any student participating in athletics. Contact the Student Services office at 847-718-4422 to get information on physical examinations available at a reduced cost and general physical exam information.
- All students, grades 9, 10, 11 and 12 start a full day Wednesday, August 14th.

The following pages have more complete information regarding the above and a wide variety of other topics to help you prepare your child ready for the 2019-2020 school year. Please study it carefully and retain this information for further reference.

Finally, remember to use our school’s web site (eghs.d214.org) for regular updates and key information pertaining to the 2019-2020 school year.

The Board of Education approved registration fee for the 2019-20 school year is $420. However, if paid by July 31, 2019 the registration fee will be $395. Parents are encouraged to take advantage of the early registration fee. After July 31, 2019, or if you have been denied a fee waiver and approved for a payment plan, the registration fee will be $420.

There will be a $65 fee per student for those who participate in any of the identified cocurricular activities which will cover their participation for the entire year. A link to the list will be available during the on-line registration process or in your school office. Particular cocurriculars may have additional fees charged by the sponsor/coach to ensure the program continues to run successfully. Students on fee waivers will have these fees waived.

Any optional fees (not included on-line), health and immunization records, athletic registrations, and other information included in this packet will need to be mailed in, or dropped off in the main office.

Transportation is free for students living beyond 1.5 miles from school and sign-up is not necessary. Students not eligible for free transportation may purchase this service ($675 for the 2019-20 school year), based on seat availability on regular routes. Please contact the main office for more information.

It is imperative that all students, regardless where they attend school, register at their home school. Failure to register within the appropriate timelines will result in the suspension of all services including transportation.

2. The family experiences a very significant loss of income due to severe illness or injury in the family.

Written evidence of eligibility shall be required of each person applying for a waiver for these reasons.

For the purposes of this policy, "school fees" mean any monetary charge collected by the school or district from a student or the parent/guardian as a prerequisite for the student’s participation in any curricular or cocurricular program of the school or district. A school does not impose a "fee" when it requires that students provide their own ordinary supplies or materials (e.g., pencil, paper, notebooks), which are necessary to participate in any curricular or cocurricular program.

"School Fees" include, but are not limited to, the following:

a. Charges for required textbooks and instructional materials.
b. Charges and deposits collected by a school for use of school property (e.g., locks, towels, laboratory equipment).
c. Charges for field trips made during school hours, or made after school hours if the field trip is a required or customary part of a class or cocurricular activity (e.g., annually scheduled trips to museums, concerts, places of business and industry or field trips related to instruction in social studies, the fine arts, career/vocational education or the sciences).
d. Charges or deposits for uniforms or equipment related to varsity and intramural sports, or to fine arts programs.
e. Charges to participate in cocurricular activities.
f. Charges for supplies required for a particular class (e.g., shop or home economics materials, laboratory or art supplies).
g. Graduation fees (e.g., caps, gowns).
h. School records fees.
i. Driver's education fees assessed pursuant to School Code [105 ILCS 5/27-24.2].
j. D214 school fees include a technology device and device insurance cost.
k. Only students who receive a District 214 “fee waiver” (unrelated to the free/reduced lunch program) are eligible for waiver of camp tuition. Only the camp tuition is waived. All students must pay the registration fee and other camp fees (i.e., shirt, league, and “other”).

“School Fees” do not include:

a. Library fines and other charges made for the loss, misuse, or destruction of school property (e.g., iPad, musical instruments).

b. Charges for the purchase of class rings, yearbooks, pictures, diploma covers or similar items.

c. Charges for optional travel undertaken by a school club or group of students outside of school hours (e.g., a trip to Spain by the Spanish Club or a senior class trip).

d. Charges for admission to school dances, athletic events or other social events.

e. Optional community service programs for which fees are charged (e.g., preschool, before and after school child care, recreational programs).

f. Optional fees or charges such as parking passes.

**H OW TO APPLY:**

Applications for fee waivers may be made on an application form available from the student’s principal. The application form should be completed and submitted along with documentation of the household’s gross income (i.e. Federal Income Tax Form 1040 or Illinois Income Tax Return Form or other evidence of documentation acceptable to the district) to the student’s principal. No fee shall be collected from any parent/guardian who is seeking a fee waiver in accordance with this policy until they have been notified of the District’s decision regarding the request or appeal, if one is made.

You are advised that Illinois law 720 ILCS 5/17-6 provides that supplying false information to obtain a fee waiver is a Class 4 Felony. If the amount of the benefit is over $300, it is a Class 3 Felony.

You will be notified within 30 days of receipt of the request, as to whether the fee waiver request has been granted or denied. If your request is denied, or a subsequent decrease in family income occurs, you may reapply for a waiver at any time during the school year.

A denial of a waiver request may be appealed to the Associate Superintendent for Finance & Operations by submitting a completed appeal form within two weeks of the denial. A decision will be mailed to the parents within thirty (30) calendar days of the receipt of the request. If this appeal is denied, a waiver request may be appealed to the Board of Education by submitting the completed appeal form to the Superintendent within two weeks of the denial. If appealed, the Board of Education will consider such appeals within thirty (30) calendar days of the receipt of the appeal request. A parent/guardian has the right to meet with the Board of Education to explain their reasons for the fee waiver to be granted. The Board will notify the parent/guardian in writing of its decision, including its reasons if it denies the appeal request. The decision of the Board of Education is final and binding.

Any questions regarding the fee waiver request process should be addressed to the main office of your child’s school.

Sincerely,

*Cathy Johnson*

Viajes programados anualmente a museos, conciertos, lugares comerciales o industriales o por viajes de campo relacionados a la enseñanza de los estudios sociales, bellas artes, educación vocacional o las ciencias).
d. Cargos o depósitos para uniformes o equipo relacionado la escuela, deportes escolares, o para programas de bellas artes.
e. Cobros para participar en actividades extracurriculares.
f. Cobros para útiles requeridos para una clase particular (Ej. Materiales caseros económicos, o suministros para el laboratorio o para artes).
g. Pago para graduación (Ej. birrete, togas).

i. Cuota para la educación del conductor en cumplimiento de la sección 27-24.2 del Código Escolar.
j. Las tarifas escolares D214 incluyen un dispositivo de tecnología y un costo de seguro del dispositivo.

Sólo la matrícula de campo es exenta. Todos los estudiantes deben pagar matrícula u otro registro de campo (Ej. camisa, liga, u "otra").
"Las cuotas escolares" no incluyen:

a. Las multas escolares y otros cobros hechos por la pérdida, uso indebido, o destrucción de la propiedad escolar (Ej. iPad, Instrumentos musicales).

Email Address Required for Each Family
Every family needs at least one email address where parents can be contacted and important communications sent. In many cases, email is the only way you'll receive important information and communications from EGHS. (If you do not have an email, it is very important to make a gmail account up so you will have it at the time of registration.)

Class Schedule, Bus Route Info, I-Pad Pick Up
- All freshmen are required to participate in Freshman First Day Friday, August 9th. I-Pads will be given out on the day. Class schedules and bus routes will be in Infinite Campus.

ONLY STUDENTS WHO HAVE PAID REGISTRATION FEES AND SUBMITTED THEIR REQUIRED PHYSICALS WILL BE ABLE TO GET MATERIALS.

Physicals and Immunizations
All Freshmen and transfer students must have an up to date physical and proof of immunizations. The completed physical exam form is due no later than June 1st, 2019. Students are not permitted to start school, nor are they permitted to participate in fall sports practices, without the required physical examination and immunizations, per State Law. Return all physicals to our school nurse. If you are mailing these physicals, they should be sent to the attention of EGHS School Nurse or you can FAX to 847-718-4562.

Medication Policy
If there is a need for your child to take daily medication while at school, request the District 214 Medication Request Form. You and the physician must sign this form. No medication will be administered without this form. Whenever possible, it is best if the medication can be taken at home under parent supervision.

Asthma Inhaler/EpiPen Medication Policy
In accordance with State Law and District 214 policy, students may carry and self-administer their inhaler or EpiPen medication at school. A completed District 214 Asthma Inhaler/EpiPen Request Form should be on file in the health office and must be renewed yearly. Each student should carry his/her own inhaler in its original pharmacy container with the student's name, drug name, dosage, and time medication is to be taken clearly labeled. There is also an Asthma Action Plan that needs to be completed by you and your physician. This form assists the nurse in helping your child both during a crisis and in choosing the best program for your child.

Diabetes/Seizures/Severe Allergies
Students with diabetes or a seizure disorder should also contact the school nurse for proper emergency care plans and medication forms as needed.

School Start Time
School begins with first period class at 8:15 a.m. Students must arrive no later than 8:00 a.m. every day. Please plan your vacations around our school calendar.
Lunch on Campus for All Freshmen
All Freshmen will be scheduled for a lunch period on campus next school year. There will not be off campus lunch privileges for freshmen. Part of the lunch period can also be used to access computer labs, get help from a teacher, visit a resource room. Please contact Dean Edgar Rivera at 847-718-4406 with any questions or concerns.

Prepayment for School Food Services
District 214 has implemented a computerized system that allows parents to prepay for school food services. The system uses the student ID card to allow parents to establish a prepaid account for their students. The account may be used for breakfast, lunch, and snack services. You can do this by going to https://www.myschoolbucks.org.

Graphing Calculators
Students may need a calculator every day for math class. Calculators can be purchased at Office Max, Office Depot, and Target – just to name a few locations. Please be sure your student goes to the Math/Science Office (room 212) to engrave their name on their calculator and record the serial number to help avoid theft. Contact Math/Science Division Head Mary Kemp at mary.kemp@d214.org for more information.

Identification Cards
I.D. cards are required for all students and must be carried by each student at all times. Coding on the I.D. card allows it to be used for off campus lunch privileges, as an EGHS Library Card, as a Bus Pass for those who qualify, a debit card for school lunches, and as an Athletic Pass. Replacement cost for a lost I.D. is $5.00 and can be purchased in the Attendance Office.

Bus Transportation
Students who live one and one-half miles or farther from school and within the Elk Grove attendance area are entitled to free bus transportation. Students who live closer than one and one-half miles may purchase bus transportation for $675 for the school year, each additional student the fee will be $550.00. In order to board a bus, riders are required to show their I.D. cards daily to the bus drivers. No I.D. card, no bus ride! All bus riders should be ready at their stop prior to the designated time. Bus routes will begin at approximately 7:20 a.m. Monday – Friday. Remember: Buses will arrive at school by 8:00 a.m. every day.

Student Lockers
Each student is responsible for their locker and its contents. There is to be no marking on the inside or outside of the locker. Taping of pictures and other decorations is allowed only if masking tape is used, and it is removed at the end of the school year with no damage to the paint finish. Students will be assessed a minimum fee of $25.00 if lockers require cleaning of graffiti or removal of tape or decorations. (Students who forget their hallway locker combination can inquire at the Attendance Office after school starts.)

Yearbooks
Don't forget to order your student's yearbook when registering. Reserve your copy now for $50. There will only be very limited numbers available for sale at spring delivery time.

EGHS PE Shirts
EGHS PE shirts are mandatory for PE Class. All students enrolled in physical education are required to wear the school issued physical education t-shirt. PE shirts are distributed in PE
classes the first week of school. Students must supply their own shorts; sweat clothes, warm-up pants, socks, and athletic shoes. Students must have clothing appropriate for outdoor and indoor activities. Additional PE shirts are available for $10.00 each.

**Green Master Locks for PE**
Physical education students will receive one lock upon entering Elk Grove High School. Each student is assigned a PE locker for the school year and is responsible for locking the locker and securing their personal items each day. Only green issued locks may be used in the PE locker room. Additional locks are available for $7.00 each.

**Gold Master Locks for Athletics**
Athletes must purchase gold locks and use separate athletics lockers during their athletic season. When they are not in season, they may not use athletic lockers. Gold athletic locks are available in the Athletic/Activities Office for all fall, winter, and spring athletes.

**Swim Wear in the Aquatic Center**
Students must wear swimsuits that are consistent with EGHS Dress Code during the swim unit of PE class. Males are encouraged to wear trunk style shorts. Females should wear one-piece suits; if a two-piece suit is worn, a t-shirt or tank top and shorts must be worn over it. Students can use their green lock to secure items in the pool locker rooms during the swim unit. Details are discussed in each class prior to the swim unit.

**Insurance**
Review your family health and accident insurance to determine if Markel Insurance offers the kind of protection you feel your student needs. If you desire additional coverage for your student, follow the instructions outlined (How to enroll) on the Markel Student Accident Insurance 2019-2020 on the proceeding page. (This is optional and again District 214 or Elk Grove High School is not affiliated with this insurance.)

Dear Parent/Guardian and Staff Members:

In 1999 the Illinois General Assembly passed laws requiring that public schools notify parents/guardians and school employees at least 48 hours prior to any pesticide applications on school property. The term "pesticide" includes insecticides, herbicides, rodenticides, and fungicides. The notification requirement extends to both indoor and outdoor pesticide applications. Excluded from the notification requirement are antimicrobial agents (such as disinfectants, sanitizers, or deodorizers), insecticide baits, and rodenticide baits.

Elk Grove High School has therefore established a registry of people who wish to be notified. To be included in this registry for school year 2018-19, please complete the form below and submit it to the Building and Grounds Supervisor at your school. Any other questions you may have regarding the District's pest management practices may also be directed to Ted Birren, District 214 Director of Operations at (847) 718-7619.

INFORMATION REGARDING “EVERY STUDENT SUCCEEDS”
AND ELK GROVE HIGH SCHOOL

The Elementary and Secondary Education Act (also known as the Every Student Succeeds Act or ESSA) is a federal law meant to ensure that all school children, whatever their economic background, can achieve high academic standards. Because of this law, Elk Grove High School receives funding from the federal government in the form of Title I and Title II-A grants. The Title I grant is awarded to the school based on the number of low-income students enrolled. This grant supports programs for children who are at risk of failing. The Title II-A grant helps pay for teacher training and professional development. Title grant funding covers part of the cost of programs at Elk Grove such as supplementary tutoring, field trips to college campuses, Collegepalooza, and parent outreach meetings.

ESSA also says that parents have a right to know about the professional qualifications of their children’s classroom teachers. You can ask for information about teachers’ licensing and academic degrees. You also have the right to know whether your child is being provided services by paraprofessionals and what their qualifications are. We are pleased to report all teachers in District 214 are highly qualified, as defined by the Illinois State Board of Education. Highly qualified teachers have a bachelor’s degree or higher and a state teaching license. In addition, for each core subject area of teaching responsibility, all teachers have either passed a content-area test or completed a college degree in that subject. All paraprofessionals are endorsed by the state as paraprofessional educators, having completed at least 60 semester hours of college credit or the equivalent. If this situation ever changes, you will be notified promptly.

Elk Grove High School and District 214 encourage you to become involved in your child’s education, as outlined in the accompanying School-Parent Compact. You are invited to attend the annual Title I meeting and parent-teacher conferences, and you are also encouraged to join groups such as the Parent Teacher Council and Padres Unidos. A schedule of parent activities is published in the quarterly newsletter and on the school website. It is district policy that parents, staff and students share the responsibility for improved academic achievement.

Thank you and please enjoy the upcoming school year.

INFORMACIÓN SOBRE “CADA ESTUDIANTE TRIUNFA”
Y ELK GROVE HIGH SCHOOL

La Ley de Educación Primaria y Secundaria (también conocida como Cada Estudiante Triunfa o ESSA, por sus siglas en inglés) es una legislación que intenta asegurar que todos los estudiantes, sin importar sus situaciones económicas, puedan alcanzar altos estándares académicos. Gracias a esta ley, Elk Grove High School recibe fondos del gobierno federal en la forma de subvenciones llamadas Título I y Título II-A. La subvención Título I se otorga a la escuela basándose en el número de estudiantes con bajos recursos. Esta subvención apoya programas para niños en riesgo de reprobar. La subvención Título II-A ayuda a pagar por el entrenamiento y desarrollo profesional de maestros. Estas subvenciones federales cubren parte del costo de los programas en Elk Grove, tales como la tutoría suplementaria, excursiones a recintos universitarios, el evento Collegepalooza, y reuniones de enlace familiar.

ESSA también dice que los padres tienen derecho a saber acerca de las cualificaciones profesionales de los maestros de sus hijos. Usted puede pedir información sobre las cualificaciones de los maestros de su hijo/a, incluso sus licencias y títulos universitarios. Usted también tiene el derecho de saber si su hijo/a está recibiendo servicios de un asistente y cuales son sus cualificaciones. Nos da gusto informarle que todos los maestros en el Distrito 214 están altamente cualificados, según la definición de la Junta Educativa del Estado de Illinois. Los maestros altamente cualificados tienen al menos una licenciatura (bachelor’s degree) y una licencia estatal de enseñanza. Además, para cada asignatura principal que el maestro enseña, él/ella ha pasado un examen estatal o ha completado un título universitario en esa materia. Todos los asistentes del Distrito 214 son aprobados por el estado como educadores paraprofesionales, con al menos 60 horas de estudio universitario o el equivalente. Si esta situación cambia, usted será notificado lo más pronto posible.

Elk Grove High School y el Distrito 214 les recomiendan que se involucren en la educación de su hijo/a, así como se describe en el Pacto adjunto. Se le invita a asistir a la reunión anual de Título I y a las conferencias individuales con sus maestros, y también se le alienta a unirse a grupos como Padres Unidos y el Parent Teacher Council. Un calendario de actividades para padres se publica en el boletín y en el sitio Web de la escuela. Es la norma del distrito que los padres, el personal y los alumnos compartan la responsabilidad de mejorar los logros académicos.

Gracias y que disfruten el próximo año escolar.
