OVER

Each student taking the Advanced Placement Examination will need to pay an examination fee of **\$94.00** for **EACH** of the Advanced Placement Tests he/she plans to take. **Registration forms must be received by March 11 for processing in order to avoid late fees.** All questions should be brought to Mrs. Biging in Room 123. Students enrolled in AP classes at more than one school should register for all AP exams at their home school (only one registration form for all exams).

AP Deal – You Pay for Three, the Rest are FREE!

For the sixth year in a row, Elk Grove High School is able to offer financial assistance to those students who plan to take multiple AP exams; thus, if you pay for three, the rest are free! In order to qualify for this program, students must meet the following criteria:

- Enrolled full-time at Elk Grove High School
- Enrolled in the AP course for which they plan to sit for the test. For example, a student must be enrolled in AP Spanish Language in order to be compensated for the AP Spanish Language exam.

The first three tests can be paid for online or with a paper registration – free tests must be requested using a paper registration form.

Most tests will take approximately 3.5 to 4 hours. It is the responsibility of the student to notify any coaches, sponsors or supervisors of their testing schedule. Students will NOT be permitted to leave a test early for any reason (including work, athletics or activities). Testing will be at Elk Grove High School unless otherwise noted. Students must arrive on time for the exams. **Specific information, including exact time and place for each exam will be provided to students at a later date.**

The parent/guardian signature on this registration form will be considered permission from the parent/guardian for his/her child to take the Advanced Placement test(s). Students are excused the entire day of the AP exam, however, they may return to school if they wish. Please be aware that it is the responsibility of the student to arrange his/her own transportation to and from the testing site.

This registration form will not be accepted without a parent/guardian signature.

**Make checks payable to ELK GROVE HIGH SCHOOL.
Registration form and fee MUST BE RETURNED TO
Mrs. Biging or Mrs. Beyer in the Assessment Center/Room 123
BY Monday, March 11, 2019.**
