PSAT/NMSQT stands for Preliminary SAT/National Merit Scholarship Qualifying Test. For many students, the PSAT/NMSQT is the first official step on the road to college. This test measures three skills: evidence-based reading/writing, math, and writing ability.

Students take the PSAT/NMSQT to:

- enter the competition for scholarships from the National Merit Scholarship Corporation
- help prepare for the SAT by becoming familiar with the SAT test format
- assess their mastery of the skills necessary for college-level work
- receive information from colleges

Students who have an IEP or 504 Plan that require testing accommodations must contact Adam Clayton (847 718-4759 or adam.clayton@d214.org) by August 19th. An accommodation request must be submitted to College Board in order to receive approval for testing accommodations.
